

Olympic Love - A Sensual Interracial BWWM Erotic Romance Short Story from Steam Books

BONUS! This ebook contains a preview of the hot novella Conflict of Desire by Sandra Sinclair. Matthew and Yvonne have a lot in common: they were good friends in college, they're both natural athletes and are both trying out for the upcoming Olympic games and they both harbor long-held feelings for each other. However, Matthews got a woman in his life, and he and Yvonne's promising careers might mean they never reveal how they truly feel. WARNING: This 6,319-word story is a steamy read that features passionate lovemaking and explicit scenes featuring a black woman with a white man that may be too hot for some readers to handle!
