

On the Job (Novella)

One woman. Two men. And a game of revenge that goes beyond the limits in this wildly sexy novella by the New York Times bestselling author of *Because You Are Mine*. Years ago, Walker and Madeline had a good thing going. They were young and impetuous, just a couple of kids indulging in the pleasures of a wild infatuation. But still, it meant the world to Madeline. And then, at the most vulnerable time of her life, when she needed him the most, he walked away. Now, the ex-Secret Service agent is back to start his own security business. And Tony, his old friend and new billionaire client has quite a proposition: protect his woman from threats against her life. The hitch? The woman in question is Madeline. She's never forgotten Walker. And she's never forgiven him. Under the heat of the Lake Tahoe sun her sensual revenge begins. Making Walker pay will be a pleasure. But danger and desire make a combustible mix, and no one is prepared for the explosion. Includes a bonus excerpt of Beth Kery's *Only for You*. *On the Job* previously appeared in *Three to Tango*.
