***Please note: Never Courted, Suddenly Wed features a new cover. Christopher Ansley, Earl of Waxham, has constructed a perfect image for the ton--the ladies love him and his company is desired by all. Only two people know the truth about Waxhams secret. Unfortunately, one of them is Miss Sophie Winters. Sophie Winters has known Christopher since she was in leading strings. As children, they delighted in tormenting each other. Now at one and twenty, she still has a tendency to find herself in scrapes, and her marital prospects are slim. When his father threatens to expose his shame to the ton, unless he weds Sophie for her dowry, Christopher concocts a plan to remain a bachelor. What he didnt plan on, was falling in love with the lively, impetuous Sophie. As secrets are exposed, will Christophers love be enough when she discovers his role in his fathers scheme? Never Courted, Suddenly Wed is fun and fanciful! A wonderful good time! ~Ava Stone, Bestselling Author
