

Once More with Feeling: A Selection from Play It Again

From #1 New York Times bestselling author Nora Roberts comes a classic tale about losing out on love only to find it again. Musician Raven Williams was devastated when Brandon Carstairs broke her heart five years ago. Now he's back, asking for her help cowriting the score for a major film—an opportunity she can't refuse. Despite the undeniable heat between them, Raven vows to keep things strictly professional. Once burned, twice shy. But when the sparks start flying, it's hard not to melt.
