

A Fathers Footprints (A Short Story of Joseph from Men Who Knew the Mortal Messiah) (Women Who Knew)

A FATHERS FOOTPRINTS (A Short Story of Joseph from Men Who Knew the Mortal Messiah) This story is not told in the New Testament, only implied. Joseph dies between the time we read of him during Jesus childhood and the time when Jesus, on the cross, asks His apostle to take Mary as his own mother, which meant Joseph was no longer there to take care of her. A touching story of a faith beyond the grave, the love of a Son for His father and a father for Gods Son, and the great love of Christ. As it is approaching Christmas time, I wanted to share this story. Thanks for reading it. I hope it touches your heart.
