

One More Lick - Complete Series

Mara has come to a decision: its time to break up with her boyfriend, Jake. In truth, theyve been as good as broken up since he left for New York without a thought for her. But almost as soon as Mara gets on the plane, things start to take an unexpected turn. Its almost as though fate is driving Mara into Brians arms. At the start of the flight he offers her his seat and, by the end, they are sharing neighboring hotel rooms while they wait for a storm to pass and their diverted flight to continue on its way. But when the bad weather continues to block their flight, an impatient Brian rents a car and invites Mara to drive to New York with him. Things quickly heat up and Mara does something thats both wild and wonderful, but when she receives a shocking phone call, her world spins out of control! Has Mara made the worst mistake of her life?
