

## Dangerous Man (Silhouette Intimate Moments)

Years ago, Shanna Cassidy had thought of Rory Hawkes as a bad boy, someone no nice girl would ever admit to knowing, but now she was a desperate woman. Someone had killed her father, and Rory held the only clue. But Rory Hawkes had his own way of doing things, methods that swept Shanna into a world of danger that she had never suspected existed. And he stood at the center of it, a man she was coming to care for far too much .... His looks, his eyes, his touch, meant danger, danger that went beyond the search for her father's killers. For even if she and Rory survived, what hope was there for love with a dangerous man?
