

## One True Thing (The McKaslin Brothers Book 3)

Faith McConnell is a little bit captivated by handsome Gus McKaslin. She can admit it. Just because he's fun and makes her heart skip a beat, that is no good reason to let her defenses down. He is a carefree type and not looking for commitment. And she won't have it any other way. Gus McKaslin doesn't do commitment, it's true. He might enjoy spending time with the lovely veterinarian, but he is not gonna fall for her. Faith McConnell isn't about to rope him in. No way, no how. On his word of honor. But if he isn't careful, he just might break that vow.
