

Sweeney Todd: The Demon Barber of Fleet Street (Applause Musical Library)

(Applause Libretto Library). Book by Hugh Wheeler Introduction by Christopher Bond Mr. Sondheim fearlessly explores psychic caverns where civilized people are not dying to go ... A naked Sweeney Todd stands revealed as a musical of naked rage, chewing up everyone in its path as it spits out blood and tears. Frank Rich, The New York Times * A work of such scope and such daring that it dwarfs every other Broadway musical that even attempts to invite comparison. Rex Reed, New York Daily News
