

## Operation Baby Rescue (Mills & Boon Intrigue) (Top Secret Deliveries, Book 5)

Elise, your baby might be alive. Elise wants nothing more than to be a mother. Her joy turns to agony when newborn baby girl Grace dies mysteriously before the single mum could even say goodbye. But grief-stricken Elise can't shake the feeling that the final chapter of Gracie's story isn't yet written. As widower Jared works through his own tragic loss, he and his one-year-old daughter become captivated by Elise. But while investigating the strange circumstances behind Gracie's death, their new friend teeters close to an explosive secret. Can Jared protect her and will bringing her closer to the truth help him capture her heart?
