

Doreen Virtue teaches you how to call upon the angels of romance to receive their guidance, and also presents specific examples of how the angelic kingdom can intervene in a Cupid-like fashion. Accompanied by Steven Halperns beautiful etheric music, Doreen then takes you through a relaxing meditation that allows the angels to clear away blocks that could be interfering with your love life. Whether youre single and looking for your soul mate, or want to inject some renewed passion into an existing relationship, the romance angels can help!
