

Valerie (Orchard Valley Book 1)

Valerie rushes home to Orchard Valley, Oregon, when her father suffers a heart attack. She and her two younger sisters gather at his side, praying hell live, fearing hell die. The last thing Valerie expects at a time like this is to fall in love and with a man like Colby Winston, yet. She's a take-charge, big-city businesswoman; has a renowned heart surgeon who loves small-town living and wants a stay-at-home wife. Valerie can't understand why she's so attracted to him or why her father keeps insisting that she and Colby make a perfect couple!
