

## Virtue and Vice (Order of Solace)

A national bestselling author introduces a woman versed in the erotic who discovers the one thing she hasn't trained for: true love. Years ago, while lowly kitchen maid Notsah was fleeing the king's guard, she burst into the private chambers of the very man she was stealing from: Prince Jarron Bydelay. But he showed her mercy and dismissed her pursuer, Erekon, Captain of the King's Guard. Ten years later, Notsah has returned as Handmaiden to the new king. He might not remember her past, but Erekon does—and is determined to use her to get what he wants from his new king. Now, if Jarron learns her secret, she'll lose the only man she's ever loved—and if she doesn't tell him, he'll never truly love her back...
