

Once An Outcast (Orphan Train Book 6)

When beautiful half-gypsy Jehenna Scovia is thrust aboard an orphan train by a man employed by her father, she knows she's an outcast. Nathan Cohen, hired by her father to find her and bring her home, believes she's a runaway. She's good at eluding him, but he's even better at finding her. Each time they connect, the spark between them scares them both. What will happen when it bursts into flame?
