

Out For Justice (Mills & Boon Intrigue) (Shotgun Sallys, Book 1)

SMALL-TOWN SCANDALS

She had no experience at solving crimes, but spirited Kelly McGovern was determined to find out what really happened to her brother. Using a little grit and a lot of sex appeal she uncovered the awful truth: her brother's death was no accident! Turning to the only man she could trust, Kelly persuaded reformed bad boy Wade Lansing to join her private investigation. Kelly knew her brother's friend was torn between loyalty and desire, but after a few bullet-dodging incidents and citizen interrogations, his protective streak went into overdrive. But could she convince Wade that their attraction was due less to their daily brush with death, and more to raw, uninhibited desire?
