

Over the Line (Bodyguards Book 4)

Sweet Baby Jane Perkins has carved out a mega-selling reputation as rocks favorite bad girl. But her hard-living, tough-talking image cant prevent the sharp dose of reality that hit home when her estranged mother is killed in a car accident. As bizarre coincidences escalate in her own life, Janey grows certain that someone is watching her every move, and its not one of her adoring fans Since leaving the Army Rangers six months ago, Jason Wilson has been adrift, a warrior without a war. Now hes taken his first civilian assignment for his army buddies security firm: protecting a rock diva on her sold-out tour. Far from being a spoiled star, Janey is a revelationsweet, modest, and incredibly sexy. Their friendship is turning to mutual, heated desire, but its a distraction that could cost them more than their hearts Drawn into the depths of a deadly secret, theyll face off against a killer growing more ruthless every day, and Jase will discover just how far hell go to protect an explosive passion he never expected
