

Songbird (Linger)

The voice of an angel, a husband who loved her. She had it all until a tragedy took it away. A Linger Story They called her their Songbird, but she was never theirs. Not in the way she wanted. The Donovan brothers meant everything to Emily, but rejected by Greer and Taggart, she turned to Sean, the youngest. He married her for love, and she loved him, but she also loved his older brothers. Her singing launched her to stardom. She had it all. The voice of an angel, a husband who loved her, and the adoration of millions. Until a tragedy took it all away. Taggart and Greer grieve for their younger brother, but they're also grieving the loss of Emmy, their songbird. They take her back to Montana, determined to help her heal and show her once and for all they want her. They're also on a mission to help her find her voice again. Under the protective shield of their love, she begins to blossom until an old threat resurfaces. Now the Donovans face a fight for what they once threw away. Only by winning it and her love will their songbird fly again. Warning: Explicit sex, menage a trois, multiple partners, a committed polyamorous relationship, adult language, and sweet loving.
