

Summer Rose (The Hawks Mountain Series)

Can their love survive a secret he never suspected? A tragedy transformed Rose Hamilton from a surrogate mother for her beloved foster sister into a single mom expecting twins. But when she walks into Dr. Hunter Mackenzies West Virginia wildlife rehab clinic - with her pregnancy still a secret - all he sees is a gorgeous, likable woman applying for a job. Rose doesn't want a romance with the handsome veterinarian who doesn't suspect that she's expecting, and who's already got plenty of trouble thanks to a mayor who wants to rid his town of Mac's lion cubs and injured wolves. Why would a man who obviously loves the wild life want to fall in love with a ready-made family? (Book Two of the bestselling Hawks Mountain Series) Elizabeth Sinclair lulls you into a place and holds you there. - Vicki Hinze, bestselling author of the Crossroads Crisis Center series. Elizabeth Sinclair is the award-winning author of eighteen romance novels. The next book in her Hawks Mountain series will be FOREVER FALL.
