

Never the Time and the Place (Best of Betty Neels)

How could he be so handsome and yet so cold? Ward Sister Josephine Dowling was heartbroken over the end of her engagement, but how could she marry a man she didn't really love? What she didn't expect, though, was to have to cope with her tears and the arrogant attitude of the brilliant Dr. Julius van Tacx. He seemed to make a habit of finding her just when she was feeling and looking her worst. And when he was at his most handsome.
