

Paradise Found: That Second Chance, Book 4

Its all about that second chance... Paradise Found is Book Four of That Second Chance Series. (These are stand-alone books tied together by a common theme belief in the beauty of that second chance.) How does one see truly with the heart or with the eyes? Matt Brandon has it all wealth, power, looks, and talent. Women want him; men want to be like him. When a freak ski accident strips him of one of lifes most basic needs his sight struggles to accept the possibility that his blindness may be permanent. Enter psychologist Sara Hamilton, a woman who has known her own share of grief and loss and may just be the one person who can help Matt redefine his new world. Sara is every womans womanshes not a toothpick or a Cosmo girl, has never been prom queen, or dated the blond-haired god with the big white teeth. Shes honest and decent and real and lives on the perimeter, applauding her patients successes, nursing them through their failures, but never acknowledging or accepting what she lacks in her own life. Shes loved and lost once and has been so emotionally scarred, shes not willing to risk those feelings again. Of course, shes never met a man like Matt Brandon. As Matt and Sara explore the delicate balance between blind trust and hope, they will discover that sometimes you have to lose everything to find what you are truly looking for
