

## The Best Thing Yet (McKingley Book 2)

McKingley: With beautiful vistas and sights to see, come join in the journeys of our residents and visitors. They'll embrace their desires and potentially find love that will last a lifetime. No matter where you come from the road to enchantment leads to McKingley. The Best Thing Yet by Aliyah Burke, McKenna Jeffries Book two in the McKingley Series. All it takes is a single glance. Arissa Wright loved her job as an Emergency Room doctor in Chicago. She was scheduled for this overdue vacation before she began getting ready for her new job, in her hometown of McKingley, New Mexico. Returning home was leaving her with a lot of mixed emotions and this vacation was just what she needed. What she hadn't counted on was the man she met on the fourteen day cruise in the Caribbean. Deiter Schneider worked for the government as a translator. He loved his job, for it allowed him to travel all over, meeting new people and seeing new places. But he needed a break, and for that reason, he found himself booked on a Caribbean cruise. When he saw this one woman, he had to stop and introduce himself. Each day they spend together lounging and just enjoying the amenities the ship has to offer, from the casino to the midnight chocolate buffet, saving a passenger's life to dining with the captain. They each fall deeper for the other. After they part, they wonder if they'll ever meet again. When they do, it's a surprising reunion and Deiter must convince her that their future together is the best thing yet.

Aliyah Burke About the Author: Aliyah Burke is an avid reader and is never far from pen and paper (or the computer). She is married to a career military man, and they have a German Shepherd, two Borzois, and a DSH cat. Her days are spent sharing her time between work, writing, and dog training.

McKenna Jeffries About the Author: McKenna Jeffries has loved the written word from time she

picked up her first book. Soon she was creating tales of love and family. Although McKenna used to make up stories she never thought to put them on paper until...she realised the stories would keep filling her until they were written. Since then shes been writing and sharing her books.
