

Part-Time Father

Once wasn't enough Harrison Nash was convinced he only needed to make love with Kimberley once, and she'd be out of his system for good. Kimberley Ryan knew Harrison wasn't looking for commitment but she couldn't help loving him. Then fate took a hand and the result was Georgia, their adorable baby daughter. Kimberley was ecstatically happy as the mother of Harrison's child. But Harrison didn't want to be just a part-time father! Suddenly he wanted it all: Kimberley, Georgia and happy ever after. A very special book for Fathers Day!
