

Pass the Salt, Credible, Candid, and Contemporary Devotionals

Pass the Salt... is a collection of provocative, credible, and contemporary devotionals. They were written prayerfully. I believe that I was often inspired by the Holy Spirit. Like most reflective writings it can bring the reader to new understandings of familiar subjects and also introduce them to new ones. I believe you will enjoy these devotionals and it is my hope that they will bring you closer to and give you a deeper understanding of God. They did for me. I felt His joy and presence many times while writing. May they touch your hearts and minds and give you peace, joy, and again further understanding. Thank you for your consideration.
