

Passed thru Fire: Bringing Boys into Meaningful Manhood

In *Passed Thru Fire*, youth expert Rick Bundschuh offers keen insights on the role of the church--and especially Christian men--in bringing boys to manhood. Strong, active boys tend to be turned off by typically quiet church activities, often concluding that church is for girls and sissies. By the time they reach adolescence, boys may begin to look elsewhere for role models and guidance about what it means to be a man--with destructive results. Bundschuh offers practical ideas for making the church a place where boys want to be--and for establishing a Christian rite of passage to guide them into godly manhood.
