

The Cowboys Courtship (Marry Me, Cowboy: Kids & Kin #35)

From the back cover... That night in the Rockies... Colorado cowboy Lafe Colter never refused a willing female. Until the night when heartsore Michelle Royer let him kiss away her tears--and her inhibition. Lafe had nobly sent Michelle packing-- he wasnt a man who made promises, and she wasnt the type whod be happy with less. But her heartstopping beauty and innocent ways haunted him, making him hungry for more... One Year Later... Once, Michelle had bared her sorrows--and her soul--to Lafe. But hed turned her down, leaving her hot-cheeked with memories of melting in his arms. Now he was back--his desire plain, and his intentions clear. He wanted Michelle. And this time, he was asking for nothing less than marriage!
