

## Born Rich ...: in a time that is gone forever!

Born Rich ... in a time that is gone forever! is a personal story of growing up in rural Alabama during the Great Depression, World War II, and the post-war years of the 1940s. Born Rich ... captures the sense of the times, including race relations, daily life, rural institutions, the economy, and the colorful characters who added so much richness to the life and memories of a young boy. The memories and stories center around the small community of Dancy, Alabama, from an era of high hopes to the towns decline and disappearance.
