

## Fringe Benefits (The Ladies Who Lunch)

When life gets tough and love is hard to find, four friends take their troubles to lunch. High school teacher Danielle Bradshaw deserves a happily ever after, and the Ladies Who Lunch are determined to deliver Mr. Right. HOT FOR TEACHER As the new head of the English department, Dani doesn't have much time for anything but lesson planning and literature. Romance—or even sex? Forget about it. But then the principal introduces her to last-minute hire Nate Ryan. Finding time to mentor a new teacher won't be easy, especially when his incredible body and equally disarming charisma are enough to make her heart skip a beat ... Nate may be fresh out of school, but he's confident in his teaching skills—and in his feelings for Dani. But while she's everything he's ever wanted, he knows his place on her staff—and his age—may be problematic for his sexy boss. How can he convince her to ignore the gossip mill currently in full swing in the teachers lounge and surrender to what's meant to be? 85,000 words More in the Ladies Who Lunch series: The Bottom Line Signed, Sealed, Delivered Sealing the Deal
