

Marblestone Mansion Book 2: Scandalous Duchess Series (Volume 2)

Jilted by a man who professed to love her and then married another, McKenna MacGreagor fled to Colorado's Marblestone Mansion hoping to heal her broken heart. Six months later, she still couldn't stop thinking about him. Once a prominent duchess in London high society, Alexandra Sinclair, a.k.a. Olivia MacGreagor, found herself in a London house of detention. She was charged with bigamy and theft, and faced five years in a dreadful prison. Could the solicitor her new love hired get the charges dropped, and if so, was she headed back to Colorado?
