

Mail Order Bride: Orphans Redeemer: Inspirational Historical Romance (Beauty For Ashes Inspirational Romance) (Volume 2)

In the clutches of a ruthless employer who threatens to force her into a life of sin and degradation, she decides to flee West as a Mail Order Bride. But Clarissas trek to Grant, Nevada not only carries her to an unknown future, it also brings her face-to-face with the deep wounds of her past. Abandoned orphan siblings, a soul destroying sanctuary of sin, a mysterious mining secret and cold blooded murder, paint a dark backdrop for the light of love, faith and forgiveness to shine their healing light, in this story of redemption and romance. Any book in the Beauty For Ashes collection will both break your heart and melt your heart. Every story follows the tragic pathway traversed by desperate brides, until finally they find true love and healing. Orphans Redeemer is no exception. Clarissa Dickens dire circumstance leaves little room for hope, but the light of love breaks through the darkness in the person of Maurice Leeks, a clerk for a mining company in Grant, Nevada. The amazing thing about Clarissas tale however, is that her journey there, although hounded by setback, brings not only hope for her future, but healing for her past. I promise that there will be moments as you read that will make you gasp, others that will have you putting on the gloves to fight for justice for our heroine, and of course generous helpings of good old fashioned clean romance. Terri Grace, Author The Beauty For Ashes Inspirational Romance Collection are stirring stories of despairing Mail Order Brides pulled from the ashes by loving Western husbands.
