

The Redemption of Jobella Jordan (Women of God Book 1)

The question is as old as the beginning of mankind. Why does God allow good people to suffer and have heartaches. To search for answers one has to go no further than to look at the Biblical book of Job. In this novel (which is a revised and republished version of my book about Jobella) my heroine of the story is in fact a modern day Job. Jobella is a beautiful young woman who has a loving family, close friends, and a wonderful man she plans to marry one day. She is known as a devout Christian and seemingly perfect in everything she does. Jobella has it all until fate strikes its dreadful blow. During the course of two weeks she loses everything she loves and her life becomes a deep chasm of despair, one that she can't seem to crawl out of. Will she become overwhelmed by her sadness or will God lift her from her valley of darkness and into his light.
