

Peacemaking Women: Biblical Hope for Resolving Conflict

Women have a strong desire for relational connections. Relationships between women can be especially enriching, but when conflict arises, they also can be especially damaging. Too many women approach conflict as if they were unbelievers with gossip, spiteful actions, bitterness, and even hatred. In *Peacemaking Women*, Tara Klena Barthel and Judy Dabler offer a meaningful, lasting message to lead women out of conflict to a state of peace where they can live as representatives of Christ to one another and well as unbelievers. With advice that is firmly rooted in Scripture, the authors bring sound, practical help for women who want to know what the Bible says about conflict resolution and how to achieve peace in their relationships with God, self, and others.
