

Penelope: Regency Candlelight 3

Penelope - golden-haired, azure-eyed, fresh from the county - has stolen the heart of the most desirable Earl of Hestleton. Rich, startlingly handsome, he is the most eligible lord in the realm. He had planned to toy with her affections then toss her to the bon ton, but when the Earl discovers that he is a pawn in Penelope's Aunt Augustas social-climbing scheme, he begins to doubt Penelope's true love. Can the belle keep her beau or will her aunt's ambitious plans force Penelope to flee?
