

Desires Captive (Mills & Boon Modern) (Penny Jordan Collection)

Penny Jordan needs no introduction as arguably the most recognisable name writing for Mills & Boon. We have celebrated her wonderful writing with a special collection, many of which for the first time in eBook format and all available right now. Her worst fears had come true. Being kidnapped by political terrorists was the realization of Saffrons worst nightmares. And to be taken to an isolated primitive farmhouse and subjected to the volatile dangerous temperments of her captors was worse than she could have ever imagined. For Nico, the man she loved, the one man to whom her whole being responded, had manipulated her descent into hell. Though calculating and callous, he was her only hope for escape - and for future happiness.
