

## Phantom Warriors 7: The Dark King

Taylor Shelley has the worst taste in men. When her ex turns out to be a mobster, she's offered a chance to start a new life on another planet, which means no more bad boys. King Hades doesn't have time to babysit. What starts as an obligation, ends in a game of seduction where the players are evenly matched. There's only one rule to remember when playing with the Dark King--the house ALWAYS wins.
