

Blessed be the Tie

Settle in with a hot cup of coffee and a warm doughnut. Sit a spell and renew your spirit as you connect with God through this collection of stories, blogs, quips, and quotes. Suzanne Clark's conversational style is both engaging and refreshing. She bears all as she shares a window into her world and her heart through her writing. You'll smile, you'll grin, you'll bend over double with a deep-bellied hee-haw, and you may even shed a tear or two at her unique and sometimes quirky perspective on life as she tries to maneuver through this world as a wife, mom, coworker, and friend. Written with the honesty, insight, and the quick wit of a woman whose fireproof faith has survived the test of time and has emerged on the other side with a changed heart.
