

Open Doors [Suncoast Society] (Siren Publishing Sensations)

(A Suncoast Society Series book.) [Siren Sensations: Erotic Consensual BDSM Romance, HEA] Derrick didn't set out to open a BDSM club - it was a labor of love. Despite his wife Marcias initial reluctance, Derricks dream of having a safe place for their friends to play and learn quickly came to fruition. What he didn't realize was that Ventures open doors would soon transform into a living legacy, a place where good friends and even better memories were made. And along the way, sometimes, even families were formed. ** A Siren Erotic Romance
