Sent to the Hallelujah Hills SAB Church as her first pastoral assignment, Pastor Margery Wilson finds a nice surprise woman on the board of elders and the first elder, no less. At first, Elder Paulette Yard seems a staunch supporter of the pastor, but it doesn't take long for her to reveal that she is anything but that. Anti-Margery is what she is. The gloves come off when Margery supports using Justin Kendrick for the media services in the church. Paulette and her supporters have an aversion to Kendrick, whom they claim is morally unsound. Finding no support for the allegation, Margery prevails and brings him on board. This act fuels all of Paulette Yards dislike in her direction. With the animosity Paulette has towards Justin, Margery suspects that her hostility has a source that is deep seated. When Margery and Justin find that they share not only a mutual interest in Gods work, but in each other as well, Paulette triples her determination to evict Margery from her job and Justin from the church. Will the strength of the love Justin and Margery share make them overcomers, or will Paulette prevail in her plans?
