

The Pitchers Kid: A Memoir

Literary Nonfiction. Memoir. THE PITCHERS KID is Jack Olsens memoir of the first 18 years of his life, years that formed his voice, his ear, and his passionate concern for the underdog. It is a story of a young boys desperate yearning for a father during a time of extreme poverty and confusion. The book has been compared to Frank McCourt for its poignant depiction of deprivation, to Geoffrey Wolff for its sad depiction of a deceptive father, and to David Sedaris for its hilarious depiction of childhood. This is an unforgettable tale of coming of age during the hard years of Americas Depression and of a familys struggle to not just survive, but to triumph.
