

## Plato on Love: Lysis, Symposium, Phaedrus, Alcibiades, with Selections from Republic and Laws (Hackett Classics)

This collection features Platos writings on sex and love in the preeminent translations of Stanley Lombardo, Paul Woodruff and Alexander Nehamas, D. S. Hutchinson, and C. D. C. Reeve. Reeves Introduction provides a wealth of historical information about Plato and Socrates, and the sexual norms of classical Athens. His introductory essay looks closely at the dialogues themselves and includes the following sections: Socrates and the Art of Love; Socrates and Athenian Pederastia; Loving Socrates; Love and the Ascent to the Beautiful; The Art and Psychology of Love Explained; and Writing about Love.
