

Playing Dirty

What seems like surrender may not be surrender at all... Windy City Kink, Book 3 Paige Nelson has an amazing new life in a new city with her own business and new friends, her abusive ex-husband firmly in her past. Plans to expand her business are running into a few roadblocks, but she doesn't need a man to help her. She can do this on her own. From the minute he lays eyes on Paige, prominent developer Raff Lauden wants her. Intensely. Urgently. Though petite and delicate usually isn't his type, he finds himself asking her out. Even more surprising? She says no. Paige has a history of being attracted to dominant, controlling men. The kind she swore never to get involved with again. But maybe she's trying to resist the one man who can give her everything she's ever really wanted... Warning: This book contains a feisty little blonde who likes to play with fire and a big wounded hero who won't let her get burned.
