

Please Tell Me What the Rebbe Said Vol. 1

Whenever I would go to a farbrengen, I would watch the Rebbe for hours, seeing everything he did and listening while he talked. Afterwards, I would always ask: Please Tell Me What the Rebbe Said. This collection of thoughts does just that. It takes ideas from the public addresses and published works of the Lubavitcher Rebbe and brings them to children in a form that they can understand and relate to. Using stories and parables, it illustrates the Rebbes thoughts on a child's level. Acclaimed by educators in and out of the Lubavitch movement, it conveys insights on the holidays and the weekly Torah portions.
