

## Point Blank: FBI Thriller #10

The explosive action kicks off as FBI agent Ruth Warnecki hunts for Confederate gold in a West Virginia cave. She never expects to encounter the grisly murder that catapults her into a horrific plague of death, all centered on the prestigious Stanislaus School of Music. And at Hooters Motel in Maryland, FBI agents Savich and Carver are nearly killed while attempting to rescue a kidnap victim. Instead of a hostage, all they see is a glowing red timer and then a catastrophic explosion. They are then led to Arlington National Cemetery, but the search for the kidnap victim is cut short when Savich takes a fateful call on his cell, as a mysterious voice threatens to kill him and his wife. Pitted against an insane killer and his psychotic teenage girlfriend, Savich and Sherlock find themselves fighting a hate-driven villain with a very long memory. Point Blank is a nail-biting, edge-of-your-seat thriller, as exhilarating and terrifying as anything Catherine Coulter has ever written.
