

HOT!

# HOT!

Rob is the perfect man, so perfect that Danica finds herself wishing that they weren't just pretending in their relationship, that he was more than the fake-date she needed to attend her best friend's wedding. After the rehearsal dinner, where Rob charms Danica and her family in equal measure, the pair engage in a night of adventurous pleasure like nothing Danica ever dreamt possible. The experience is crazy hot and dangerous and she finds herself falling over the edge of ecstasy time and time again. But is Rob too good to be true? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
