

Morningsong (Portraits Series #13)

Popularity and fame have created a glimmering facade in Shanna OBrians world, but when the spotlight fades, even her success fails to penetrate the darkness of reality. Faced with the heart-rending loss of her mother and the man who fashioned her country music career, Shanna must return to the place where her dreams have been both nurtured and shattered - Morningsong. The pinnacle of Shannas distress occurs when she is confronted by the husband who left her six years before. Joshua Morgans claims of unwavering love, coupled with Shannas need to reclaim possession of a life shes too often surrendered to the hands of others, lead her down a path of self-discovery that is cruelly threatened by unseen forces. Can the mayhem surrounding Shanna be resolved despite her fledgling faith in herself, her God, and the man determined to redeem her trust? Patricia Rushford is best known for her popular mystery novels from the Jennie McGrady series and the Helen Bradley series, but shed never deny that she loves a good romance, too! Morningsong was born out of her fascination with the music industry and her many years as a counselor and expert on issues pertaining to the family.
