

## Powerful Greek, Unworldly Wife (Innocent Wives Book 1)

Gorgeous Greek billionaire Leandro plucked plump Millie from her farm and swept her into his glamorous world! Wrapped in his arms and draped in diamonds, she thought nothing could touch their romance. But the deepest, darkest betrayal did. Her sister claimed she was expecting Leandros baby. So Millie ran away, distraught. The designer dresses had clearly never hidden how unsuitable and unglamorous she truly was. Now, though, Leandros powerful voice is demanding that his wife come home. And, to her shame, she's willing.
