

Praying at Burger King

Richard Mouw packs a lot of wisdom into a few dozen small packages. Writing in an easygoing, conversational style, Mouw here considers how the outward life of a Christian should reflect the inner workings of the Spirit. Including beliefnet.com columns of Mouws never before collected in book form, these pieces are alternately amusing, touching, and poignant. From the dignity of chickens to a weeping Savior, Mouw shows how an extraordinary God meets us in everyday life.
