

I Do, I Do...For Now (Love & Laughter)

HIS FATAL FLAW His problem, Mitch Cudahy told himself yet again as he hung upside down in a tree rescuing a cat, was that he always had to be the hero. Which was fine on the job, but he had to learn to leave his work at the fire station. Maybe he needed to get little cards to hand out when the urge overtook him: Stop me before I help again! But it was too late. He'd married a perfect stranger. Temporarily. So she could stay in America. The only thing he knew about Sasha Mikhailova was not to let her into a kitchen or shed burn it down. Playing with fire was dangerous, but too late Mitch realized he'd jumped out of the frying pan.
