

THATS HOW THE GAME GOES: Part 1 : Only The Strong Survive (Thats HowThe Game Goes)

Some people want money. Some want respect. Some want power. Most want it all, and to have it all you have to be willing to do whatever it takes to get it. Once you get it you have to do even more to keep it!

Jay-r is a kingpin of the drug game in Philly. Hes made more money in the streets than he will probably ever be able to spend in a lifetime. Theres just one problem. Hes addicted to the street life and has no plans to ever quit hustling, even though at this point hes just doing it out of habit because he doesnt need the money. This causes problems between him and Taneka, his kids mother. Tanekas tired of the life they live and she wants out, with or without him. Jay-r decides to give the game up in order to keep his family together and he puts his money and energy behind the rap group he manages. Once he puts his hustlers mentality into doing business the rap thing takes off quickly. Jay-r and his rap group are headed to the top, but old beefs resurface and new ones develop and the streets arent ready to let them go just yet. Jay-r and his team prepare for one last war to put an end to all beefs once and for all! The drama in the streets brings the FEDS and once the FEDS get involved everyones loyalty to the team is tested. They find themselves in a war in the streets and trying to stay out of the FEDS grasp, while trying to make music at the same time. Will Jay-r and his crew be able to make it out of the game or become another statistic in the streets of North Philly?

Coupe is coming home from prison after being locked up 15 years. He was locked up for putting in work for the hood and feels the hood owes him something when he gets home. He doesnt get the welcome home he expects and hes feeling some type of way about it. Nobody from the old days are around anymore and the hood is controlled by a new generation. Coupe wants his respect and he wants his old hood back so he rounds up whats left of the older

cats he knew before he went to prison and he recruits some youngins into his crew. Coupe goes right to work extorting anyone who isnt down with his team. He takes the hood back by force killing anyone who refuses to pay him tax. Coupe plans on taking over all of North Philly but some people just aint having it! An all out war erupts in the street for control of the hood!

Ki Ki has been on her own since she was a teen. She learned the ways of the streets quickly and now as an adult she has perfected her game. Ki Ki wants to live life like a baller. Or at least make people think she is. She does whatever it takes to maintain her baller status. She steals, robs, and sleeps with many dudes for money. She will do anything it takes to make a buck and until she can find someone who can afford to pay for her expensive lifestyle shes going to do what she does best. Trick and steal. She has become an expert at getting dudes hooked on her sex and head game. She thinks shes finally hooked the big fish when she gets with Jay-r. She knows very well what he can do for her. After they start spending lots of time together she mistakes lust for love. In her mind everything is perfect. When Jay-r goes back to his babies mother Ki Ki is heartbroken and pissed. She feels that shes been played and she promises revenge. She told him once before Dont ever try to cross me and now shes going to show him exactly what she meant by that! Federal Assistant District Attorney Harper wants out of Philly. He wants to be in D.C. with the power players so he can advance his career and move on to doing bigger things. As far as he is concerned Philly is too small a market for him to advance his career to where he wants it to be. He knows that if he can make one big R.I.C.O drug case against a major kingpin it will get him on the fast track to where he needs his career to be. Harper is willing to do whatever it takes to make that happen! **THATS HOW THE GAME GOES Part-2 The Game Dont Stop available now!!!**
