

Public Speaking Survival Kit: Expert Training to Dazzle Your Audience

Effective public speaking starts here. Learn how to create and deliver a dazzling speech for any occasion. In this self-paced audio series, two of the world's top communicators share the powerful techniques they have developed in their experience speaking to millions of people. In addition to the basics of public speaking, you'll learn how to think on your feet, play off your audience, and banish anxiety and stress. Make your next speech a dynamic presentation full of energy and personality from the podium. Inspired by best-selling public speaking programs by Dale Carnegie, you will understand how legendary communicators like Winston Churchill, Ronald Reagan, and Bill Clinton can move the hearts and minds of an audience with humor, statistics, and stories. Develop confidence and charisma from the convenience of your car or while you work out with this powerful must hear series. These techniques will guarantee that you will be competent and composed for your next presentation.
