

Quiver - Complete Series

Bad Boys may be dangerous but they're just too damned tempting, don't you think? Tray Hollis is the tall, dark and deadly Bad Boy in tight jeans and tattoo sleeves Lyssa Canfield lusts for. But he will also be the last one. Chronically unlucky in love and on her way to find Mr. Reliable, Lyssa is making time for one final fling... But when Lyssa wakes up the next morning in Tray's arms, she is shocked by the dawning realization that not only does she want something more than a fling with Tray, but also that he's her next-door neighbor. Will their liaison remain a once-off, or will Lyssa find herself succumbing to her deviant desires? Only mature audiences should download this book
